

Upper Cook Inlet Task Force

(Re: Potential changes to the Kenai River Late Run King Salmon Management Plan in response to closures due to low returns of Kings)

DRAFT Agenda for Organizational Meeting November 16, 2012

- 1) Welcome & Introductions: Co-chairs; members; staff.
- 2) Review of Task Force Mission and Scope and how meetings will be conducted.
(Kluberton/Webster)
- 3) Amendments to this agenda.
- 4) Review of Kenai River Late-Run King Salmon Management Plan, and other associated regulations.
- 5) Discussion of Task Force Scope – Does the Task Force feel that all necessary changes can be made within the Kenai Late-Run King Salmon Management Plan or is the effort broader than that?
- 6) Introduction of concepts for Task Force web presence to keep the conversation moving between meetings.
- 7) Discussion of areas within management plan(s) and associated regulations where changes might result in enabling fishers to catch sockeye with minimal impact on King stocks.
- 8) Set/discuss dates for next meeting(s).
- 9) Miscellaneous business.
- 10) Adjournment.
